

Practicing in Good Relations

A Collaborative Learning Program for Family Physicians

SHARED GOAL Strengthen structurally competent, culturally attuned, and relational primary care for Indigenous patients

LEARNING COMMUNITY | Built and strengthened through engagement across the program

Reflection
and growth

Diverse
perspectives

Relationships
and connection

Application
to practice

Shared
learning

1

E4E™ PRIMER WORKSHOP

In person | 6 hours

- Build an understanding of the Educating for Equity (E4E)™ Care Framework
- Explore structural, historical, and relational determinants of health
- Develop a shared foundation for collaborative learning and reflection

2

CASE-BASED LEARNING SERIES

4 virtual sessions | 2 hours each

- Apply the E4E™ Care Framework to real-world primary care cases
- Learn with Facilitators and Indigenous Mentors
- Build confidence and practical strategies for care

EXTEND YOUR LEARNING

My Lifelong Learning Plan (MyL3Plan™)
Optional and offered separately from PGR

- Build on learning from PGR through continued reflection and practice improvement
- Use a free online tool to meet and support the action plans required by PIPP-CPSA and earn CME credits by completing the CQI and Personal Development cycles

Continues
and evolves
beyond formal
learning
activities

HUB ONLINE PLATFORM | The virtual home of the learning community

Supports connection between and beyond sessions

Access
materials and
resources

Ask questions
and connect with
facilitators

Engage in
discussion
with peers

Share tools,
strategies, and
practice ideas

Reflect on
learning and
practice

Access scheduled
sessions and
recordings
